MONARCH

MENDEL CATHOLIC
HIGH SCHOOL

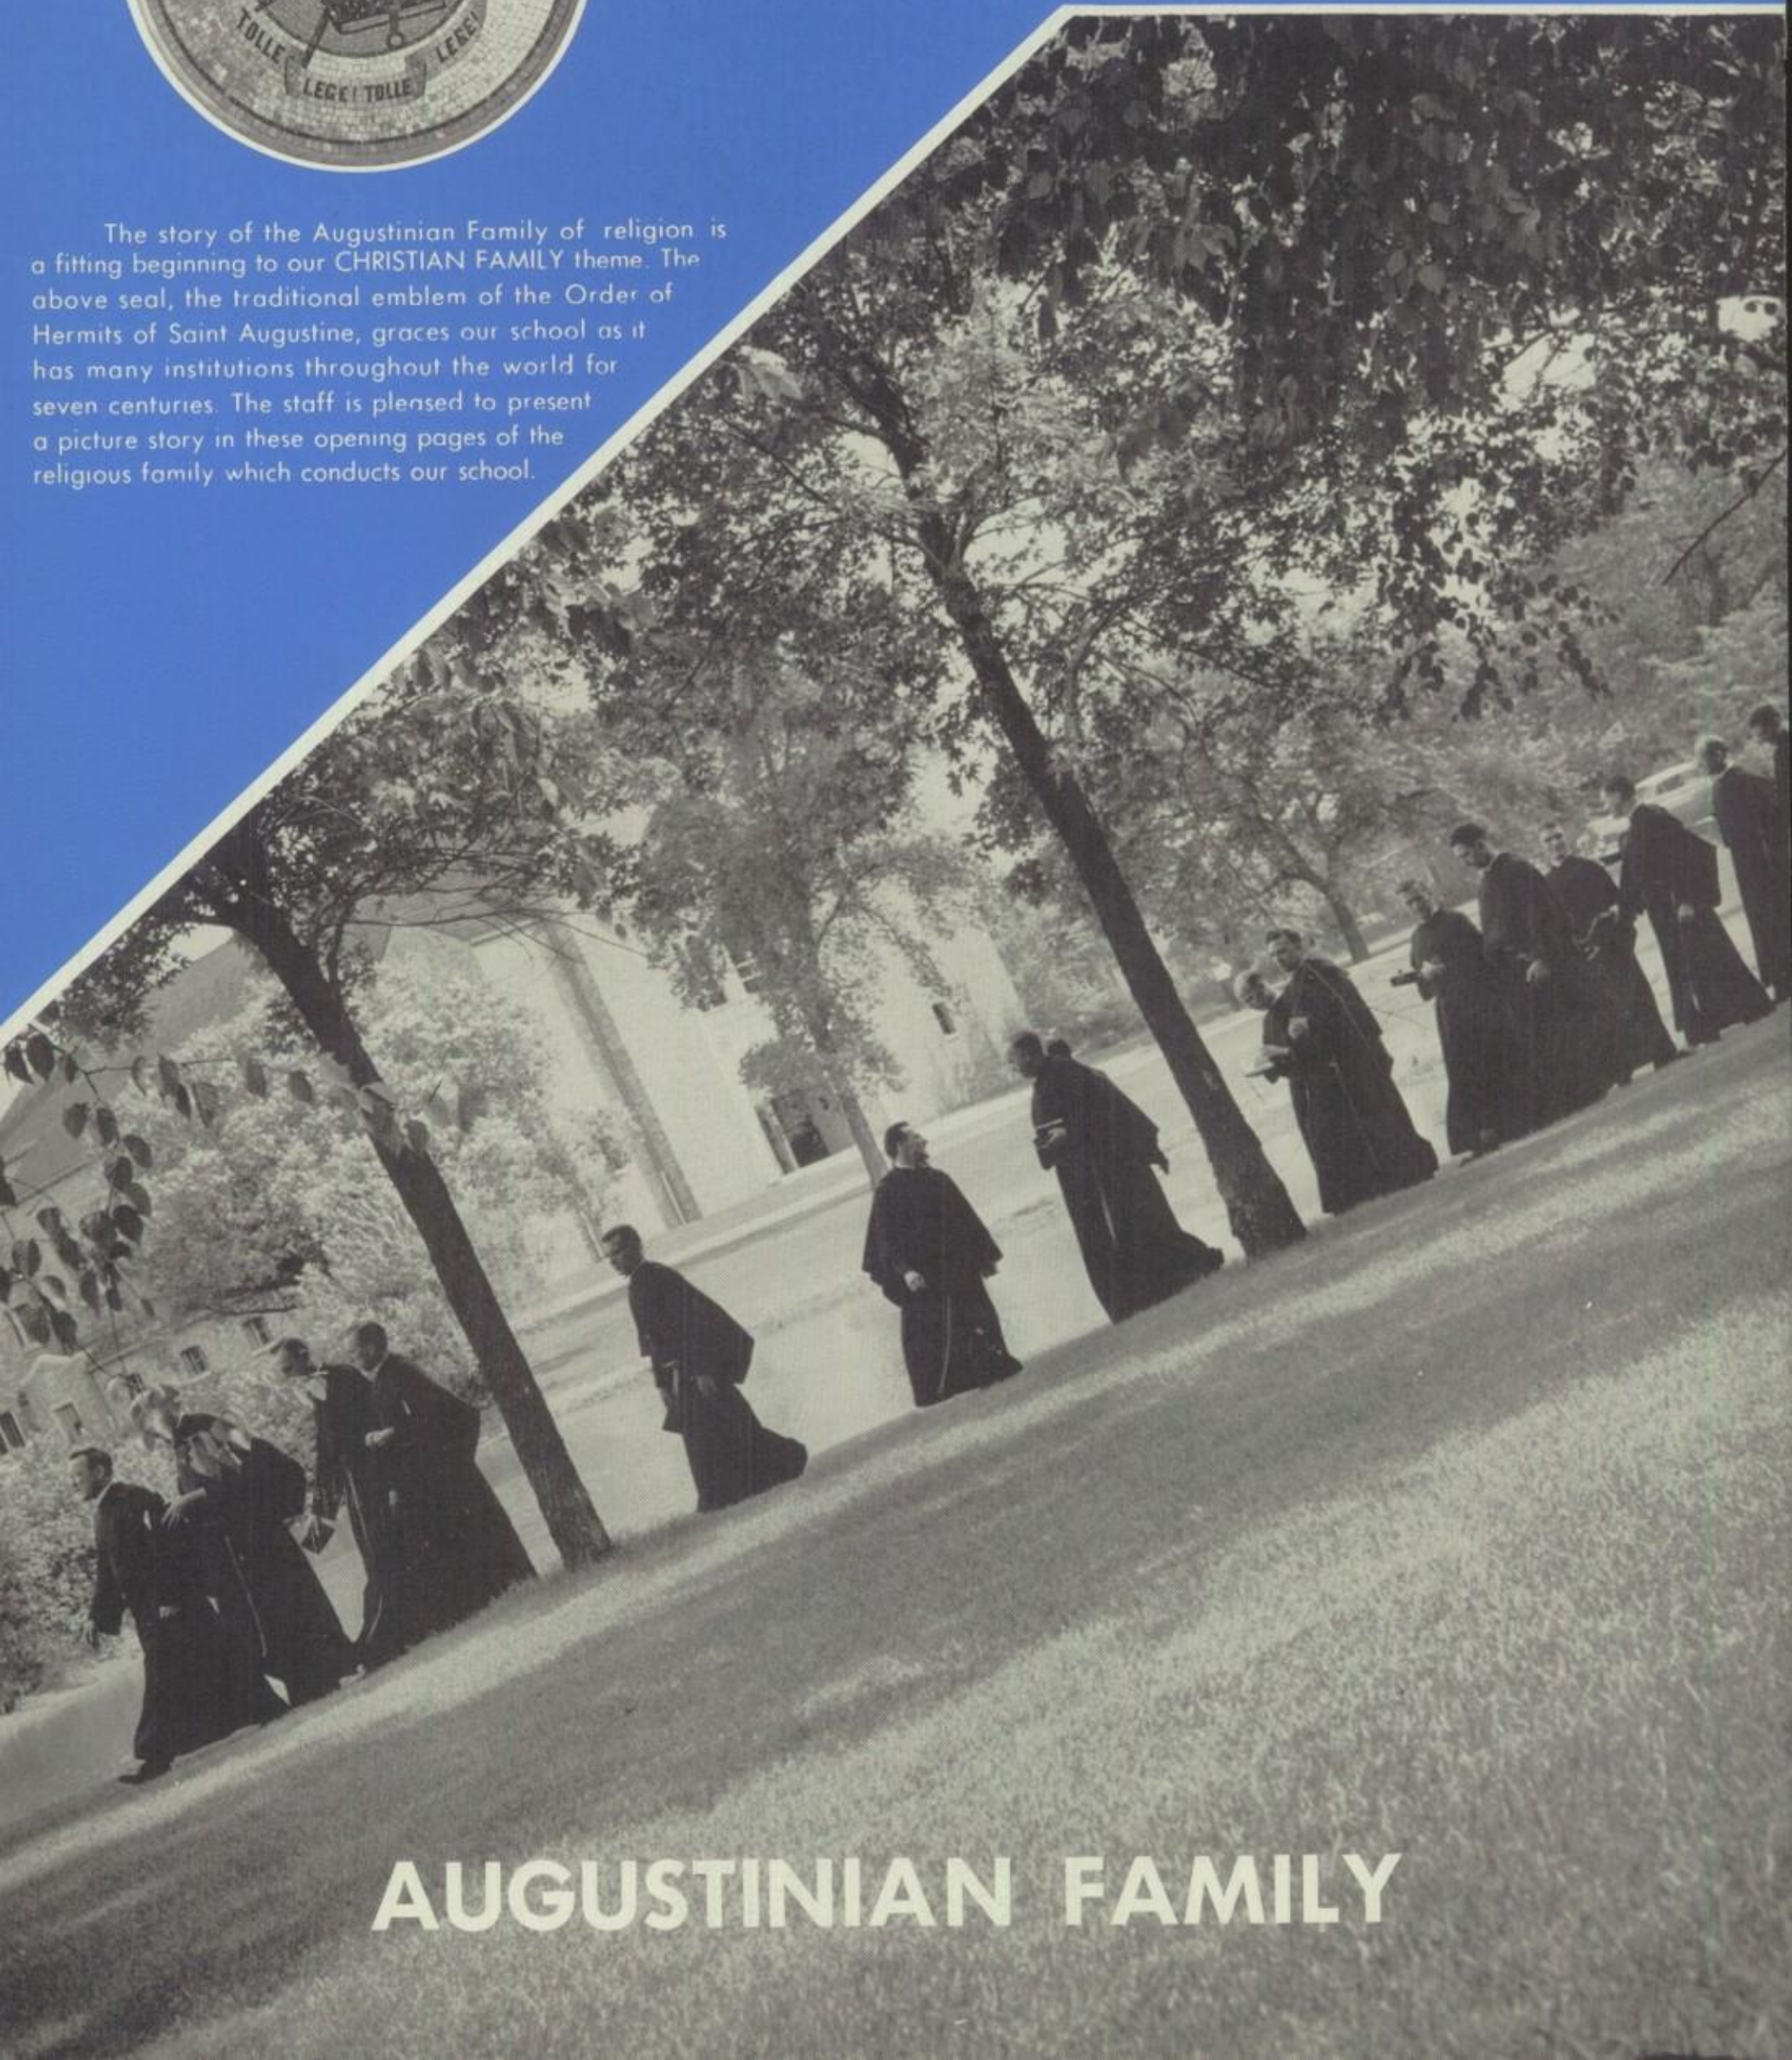

CHICAGO, ILLINOIS

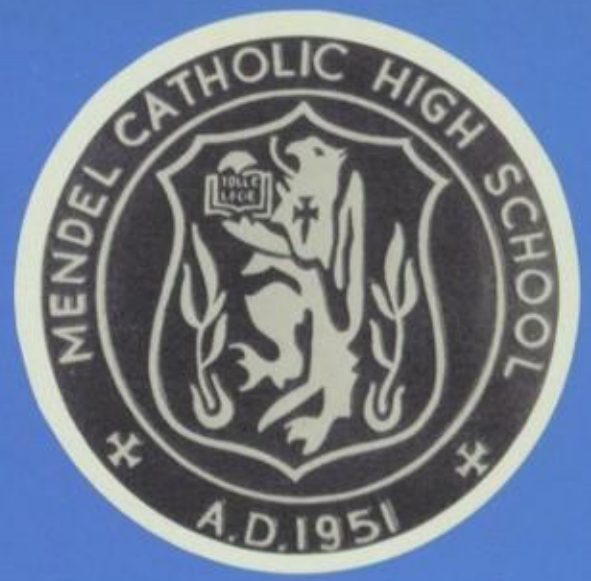

1957 CHRISTIAN

The story of the Augustinian Family of religion is a fitting beginning to our CHRISTIAN FAMILY theme. The above seal, the traditional emblem of the Order of Hermits of Saint Augustine, graces our school as it has many institutions throughout the world for seven centuries. The staff is pleased to present a picture story in these opening pages of the religious family which conducts our school.

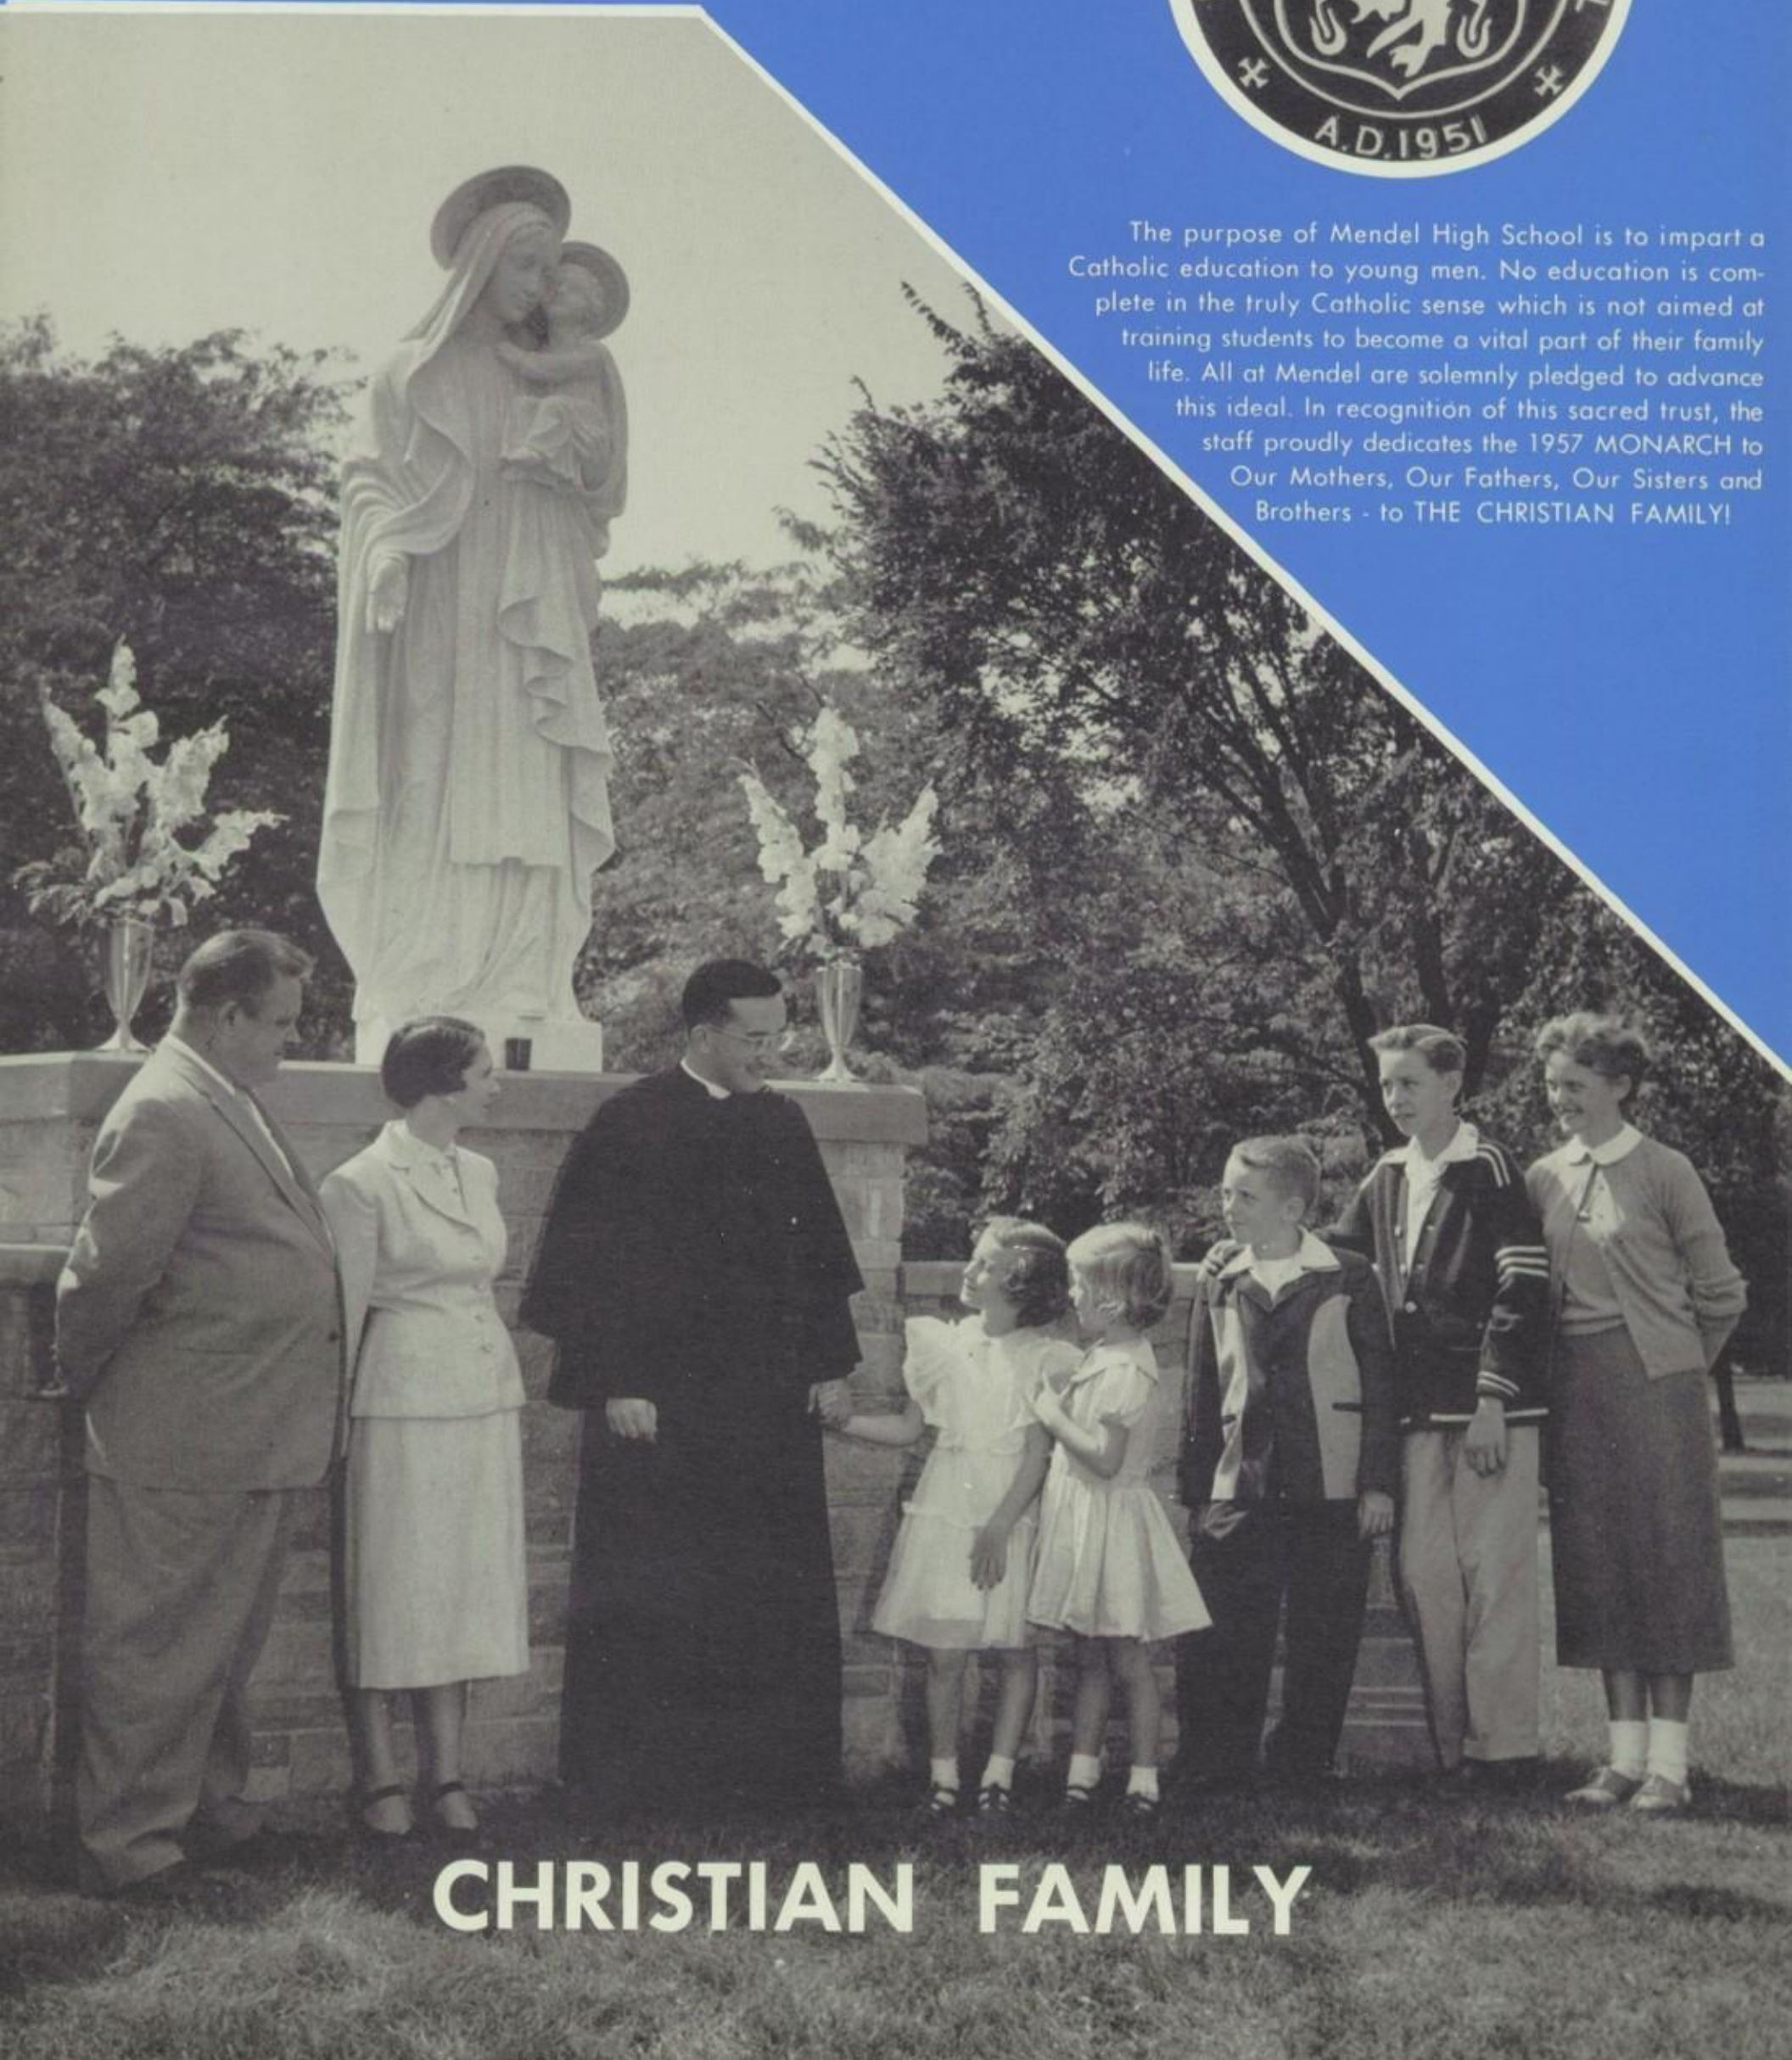

AUGUSTINIAN FAMILY

THEME FAMILY

The purpose of Mendel High School is to impart a Catholic education to young men. No education is complete in the truly Catholic sense which is not aimed at training students to become a vital part of their family life. All at Mendel are solemnly pledged to advance this ideal. In recognition of this sacred trust, the staff proudly dedicates the 1957 MONARCH to Our Mothers, Our Fathers, Our Sisters and Brothers - to THE CHRISTIAN FAMILY!

CHRISTIAN FAMILY

THE AUGUSTINIAN FAMILY

The Augustinians, officially known as the Hermits of St. Augustine, are one of the four great Mendicant Orders of the Church. As their name indicates, they trace their origin back to St. Augustine of Hippo, the illustrious Doctor of the Church.

St. Augustine, one of the best-known and best loved Saints, lived from 354 to 430. On Holy Saturday, 387, at the age of thirty-three, Augustine received the Sacrament of Baptism from the hand of St. Ambrose who had been instrumental in his conversion. Overjoyed in the blissful possession of God's grace, Augustine dedicated his brilliant mind, firm will, and generous heart to the service of his religion and his God.

After his return to his home in North Africa, Augustine established a monastic community at Tagaste — the first Augustinian monastery. The principles of St. Augustine's religious life are found in outline in his Rule. Hundreds of other religious communities besides the Augustinians follow his Rule today.

Last year, the Augustinians marked the 700th anniversary of their Order as it exists today. The religious order received its jurisdictional form and organization in the year 1256 from the Papal pronouncement, *Licet Ecclesiae*, of Pope Alexander IV. Provision was made therein for the familiar organic structure: Prior General, Provincial Priors, and Priors of individual communities.

At present the Augustinians throughout the world number 2350 priests, 700 clerics, and 400 brothers.

The 1957 staff of Mendel's yearbook takes pride in saluting the Order and the religious who have dedicated themselves to the service of God and humanity. They form an integral part of our family at Mendel; we, the students and families who receive so much from them, feel that we are an intimate part of the Augustinian family.

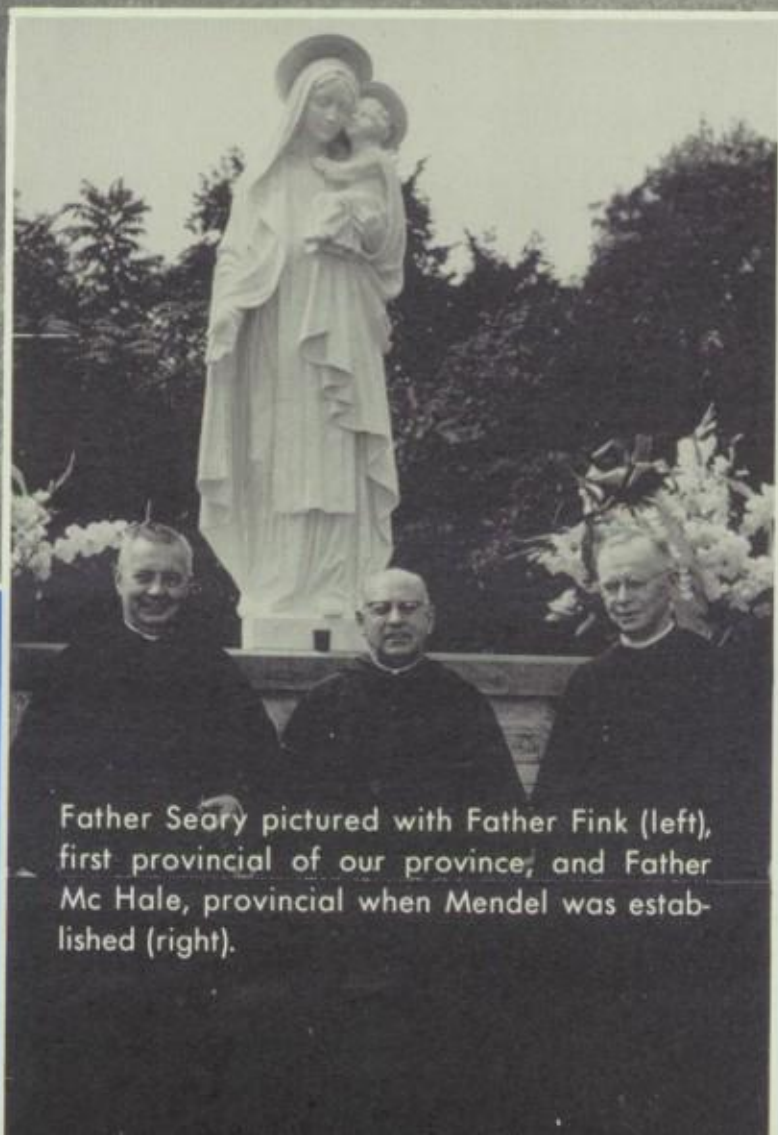

MOST REVEREND ENGELBERT EBERHARD, OSA
PRIOR GENERAL

Father General, residing at Vatican City, Rome, directs the fortunes of the whole Augustinian Family. As leader of the Augustinians in Germany, Father Eberhard proved his administrative and spiritual leadership through difficult years. He served in the United States from 1923 to 1929 as professor and parish priest. He has earned recognition as an author and preacher. Under his capable guidance, the Order anticipates an era of notable achievement and spiritual advance.

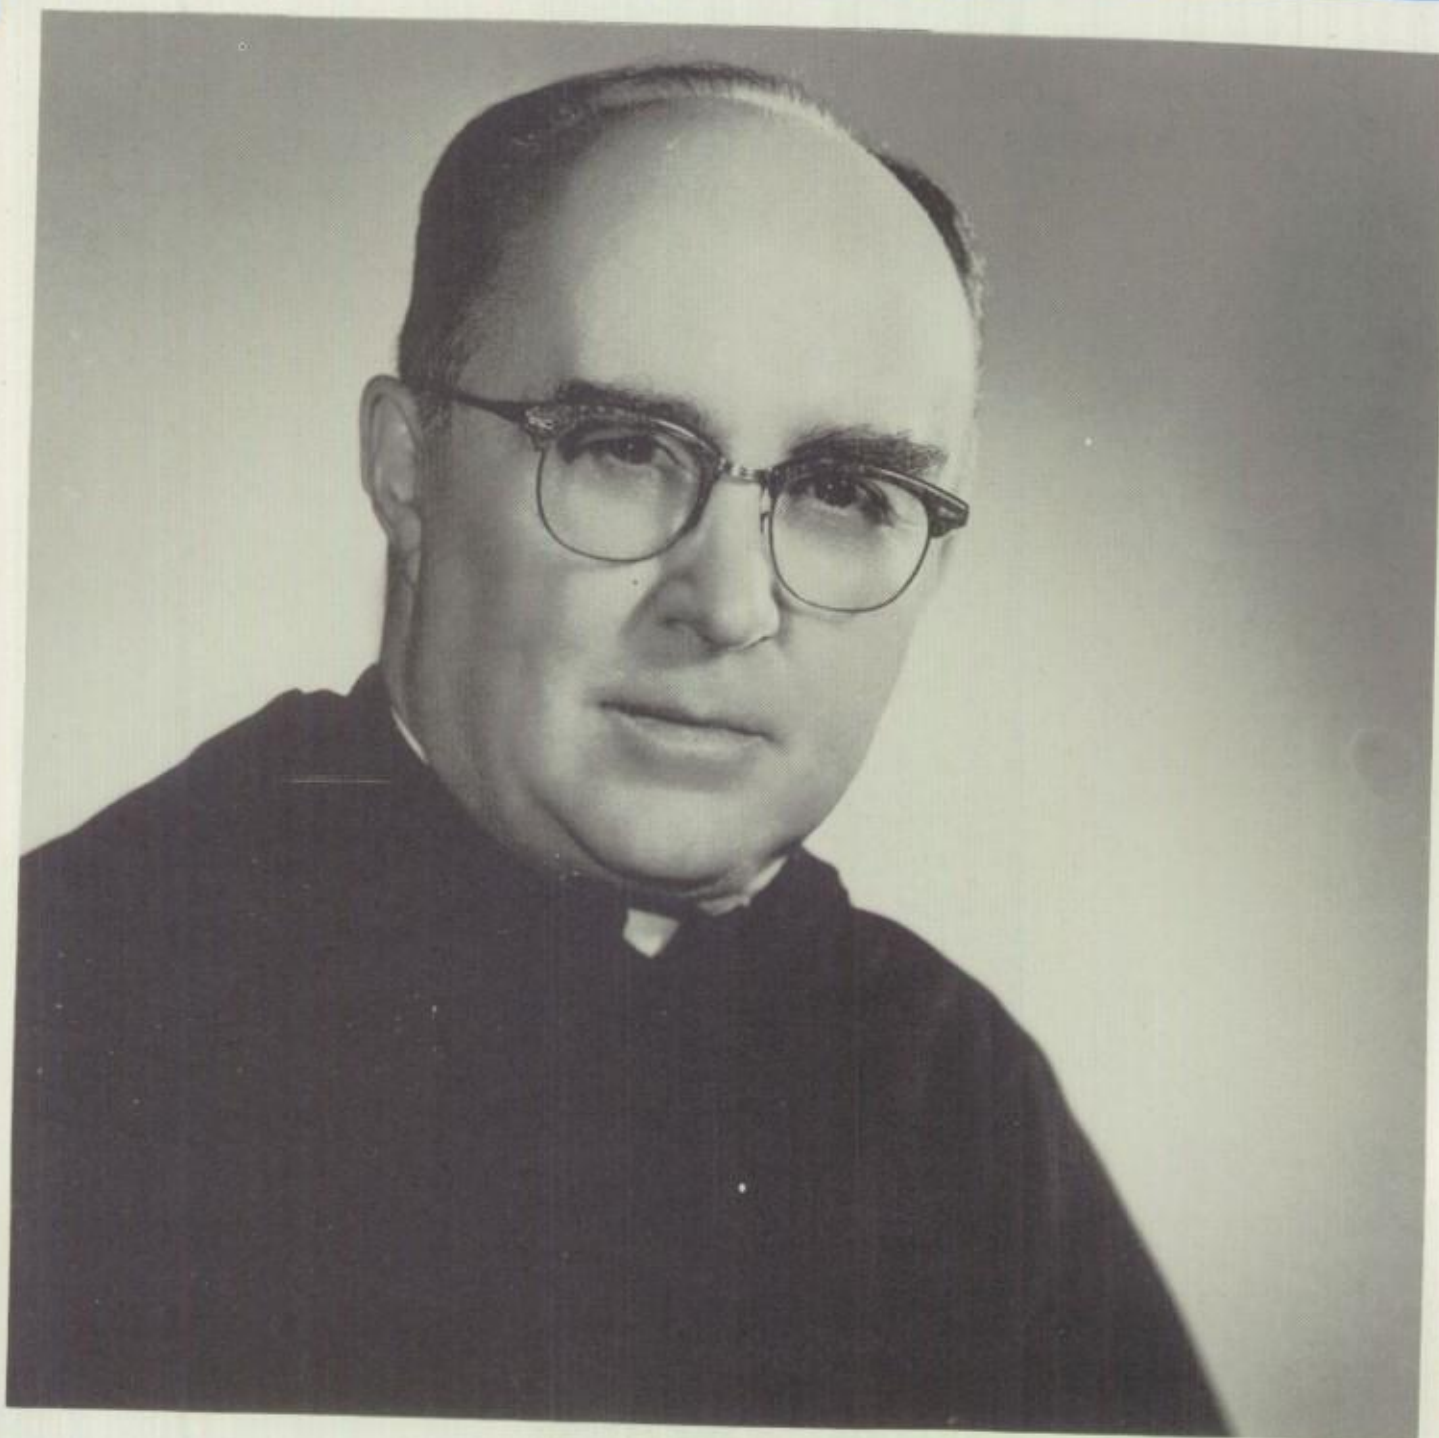

VERY REVEREND JOHN L. SEARY, OSA
PRIOR PROVINCIAL

Father Seary is spiritual father to the Augustinian Family within the Province of Our Mother of Good Counsel. Founder and first Prior and Rector of Mendel, he has endeared himself to all associated with our school. We rejoice that he has been called to the high office of Provincial. We are honored that he has chosen Mendel as his official residence. We are confident that the Order will prosper under his genial leadership.

OUR PROFESSED

After the Novitiate year, aspirants are professed and go on to higher studies in philosophy and theology. Top: The profession class of last September, with Father Provincial, Father Mahoney, and Father Gilman, Master of Novices. Left: Farewells before leaving for Villanova.

OUR BROTHERS

The Augustinian Brothers are men who wish to serve God by belonging to a religious family. Like the priests in the Order, they assume the obligations of the vows of Poverty, Chastity, and Obedience but do not take on the duties of the priestly office and ministry. They serve in various capacities as Infirmarian (Brother Anthony), as Sacristan (Brother Thomas), and generally assist in work of the Order.

Those who are interested in the training of future Augustinians may assist in this worthy cause by enrolling members in the Seminary Guild. Membership entitles one to a share in the spiritual benefits of the Order. Proceeds from the Guild are used to educate future priests and brothers.

... AND INTO ETERNITY

The family plot of the Order of St. Augustine will hold the mortal remains of its priest and brother members. But the Augustinian Family will not end with the grave — it continues in eternity! Those now serving in this life will one day be called by Christ to join their brethren who have already answered the Master's summons: "Well done, good

and faithful servant... Come ye blessed of My Father..." The evening of this life will pass; its shadows will fade before the glorious light of Heaven! In eternity, all the Augustinian Family will be one in Christ, sharing the Beatific Vision with Mary and their Holy Father Saint Augustine.

IN MEMORIAM

When first we planned our book, this page was to be a contents page for the remaining features. Little did we realize that we would insert a memorial page commemorating the death of one from the Mendel family. God saw fit to call to his eternal reward one of our own faculty, a priest of the Augustinian family, Father Prior. What better place to engrave our testimonial and remembrance of this devoted priest than on this page alongside the picture of the Augustinian burial plot at Holy Sepulchre Cemetery.

May this memorial remind us, whenever we leaf through this book, to remember him in our prayers. Let his memory inspire us to pray for all our teachers, living and dead. May his memory lead us to pray that many Mendelmen will one day offer themselves to the service of God as successors to such as Father Prior.

May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

FATHER GERALD PRIOR, O.S.A. REST IN PEACE

BORN AUGUST 9, 1898

Passing beyond the shadow
Into a purer light,
Stepping behind the curtain,
Getting a clearer sight.

Laying aside a burden,
This weary mortal coil,
Done with the world's
vexations,
Done with its tears and toil.

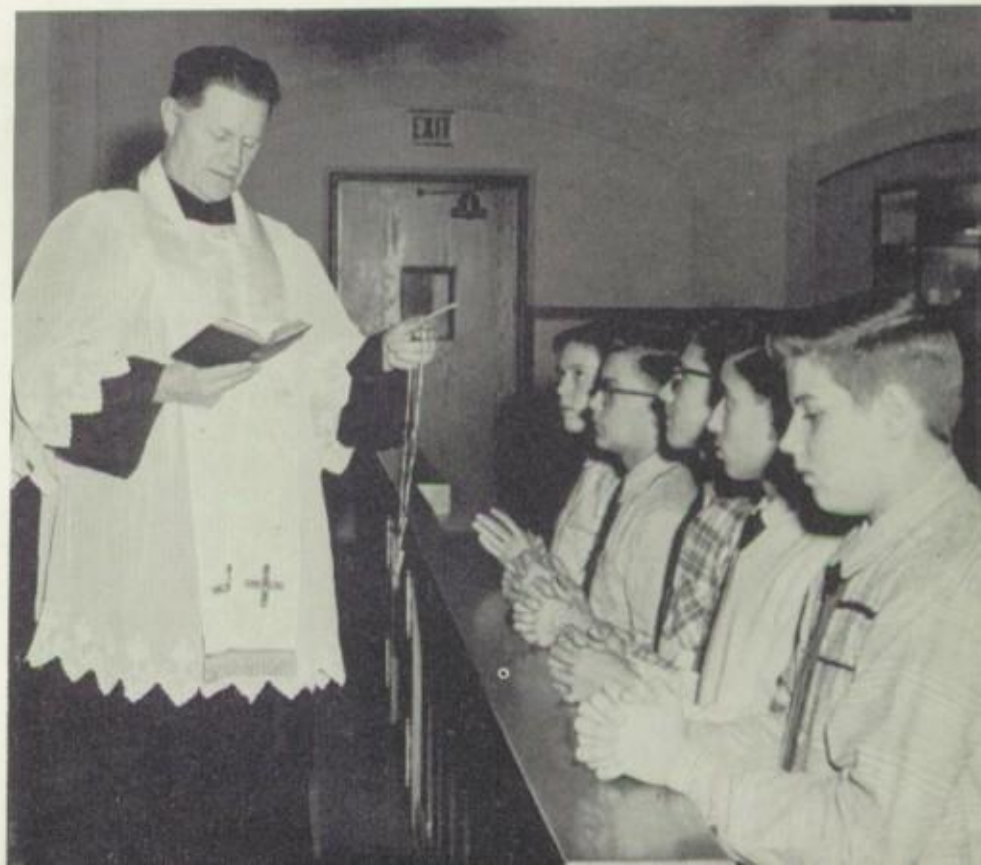

DIED DECEMBER 3, 1956

Tired of all earth's playthings,
Heartsick and ready to
sleep,
Ready to bid friends farewell,
Wondering why they weep.

Passing out of the shadow
Into eternal day.
Why do we call it dying—
This sweet going away?

ADMINISTRATION

Our Father Rector, with his administrative staff, is the core and life of Mendel Catholic High School. This administrative group skillfully heads an enthusiastic faculty. Continuing the monumental work of Father Seary—Father Cavanaugh, Father Grace, Father Verstynen and Father McNabb combine wise administration with progressive leadership to shape Mendel's destiny. Under such capable direction, our school will attain its goal of Christian education of youth and the extension of Christ's Mystical Body on earth.

The Christian Family Movement spells out the new impetus given to the Apostolate of Catholic Action by Our Holy Mother the Church. Married couples and parents are encouraged to learn the meaning of their high calling as members of Christ's Mystical Body.

The Christian Family Movement reminds husbands and wives of their responsibilities to each other and to their children. It stresses the importance and dignity of the Christian home. Of greatest importance is the way in which this apostolate inspires Catholics to spread the leaven of Christianity throughout their modern-day world. From a study of Christ's life and the liturgical life of the Church, these lay apostles learn how to apply Christian solutions to the social and economic problems of this age.

The Monarch staff, in paying tribute to the Christian Family, salutes all C.F.M. groups. The one pictured above is from St. John de la Salle parish, where Father John Murphy is pastor. We salute the chaplains, like Father William Lyons, above, for their self-sacrifice in behalf of the lay apostolate. Father Lyons, we may note, has filled in as a religion teacher at Mendel since Father Prior's sudden death.

O Joseph, Holy Guardian of Jesus and Mary, assist us by thy prayers in all the necessities of life. Ask of Jesus that special grace which He granted to thee, to watch over our home at the pillow of the sick and the dying, so that with Mary and with thee, heaven may find our family unbroken in the Sacred Heart of Jesus.

OUR RECTOR

FATHER FRANCIS CAVANAUGH, O.S.A.

Father Cavanaugh, in succeeding Father Seary, is keenly aware of the hopes and plans which Mendel's founder had for our school. Furthermore, he brings to the office of rector those qualifications necessary to guide Mendel in its second phase of development.

After receiving his Bachelor of Arts from Villanova University, Father Cavanaugh pursued further studies at the Gregorian University, Rome, and at Catholic University, Washington, D.C. He was awarded a Bachelor of Science in Education by Villanova and took graduate studies at Tulsa University.

Father Cavanaugh taught at Villanova University, 1937, before his assignment to the Midwest Province on the faculty of Cascia Hall, Tulsa. He was appointed vice-rector at Cascia in 1940. From 1952 until his coming to Mendel, Father was vice-rector of St. Rita High, Chicago.

CLASSES

Appearing with Father Rector are the top ranking Mendelmen as of the first semester standings. Seniors John Donohue, Joseph Gajewski and Jean Klawitter. Juniors: Robert Normant, Robert Frank and Robert Staib. Sophomores Ken Bacon, John Meier and Ronald Sciepkko. Freshmen: Charles Scott, Jon Kapecki and William Keating.

All of our 1440 students are graded according to the Honor Point system. Scholastic grades and student rank, along with many minute details indicating student achievement, are exactly computed by IBM calculations.

The present curriculum of studies at Mendel has been designed in accordance with the high standards of Augustinian education and has the full approval of the State of Illinois and North Central Association. A boy who meets our standards and requisites for graduation is sufficiently qualified to enter any university or college.

To meet the changing needs of students, Father Verstynen, Dean of Studies, is setting up an Honors Course for next year. This course will be aimed at challenging the more intellectually gifted boy. Father Verstynen's unique effort is prompted by the expressed desire of leading educators throughout the country to identify those students who give exceptional promise in the fields of science and engineering. In this way, Mendel Catholic will be serving the needs of our community and our country.

A noble ideal of Catholic home life is beautifully portrayed in this picture of the Starr family. In the sanctuary of the home, the family study circle functions under the gentle supervision of loving parents. Before a child becomes a member of a class, or is assigned a place in a classroom, or is graded for achievement, he has learned from devoted, self-sacrificing parents the value of study and discipline. Our parents have the great responsibility of being the child's first teachers. It is their ingenious task to instruct each child in the rudiments of learning without discrimination or distinction.

O Jesus, behold our Family prostrate before Thee. Once more do we consecrate ourselves to Thee—our trials and our joys—that our home, like Thine, may be the shrine of peace, purity, love, labor and faith. Do Thou protect and bless all of us, absent and present, living and dead.

ACTIVITIES

The Coordinator of School Activities, Father John McNabb, O.S.A., is shown talking with Student Senate officers, Larry Peterson and James Dean. The Student Senate is the mainspring for all student functions at our school. Every club or organization, to be a vital part of school life, must receive its charter from the Senate.

The Senate, which consists of representatives from every section, spearheads all movements which will improve teacher-student relationships. It seeks to advance the good of Mendelmen—on or off campus.

The Monarch staff takes this opportunity to thank Father McNabb for his vigorous efforts in behalf of student and alumni activities. We feel that it is due in great part to his zeal that Mendel Catholic has so ably satisfied the varied extracurricular interests and desires of our fellow students and graduates.

Group prayer and the evening meal are two social activities which contribute greatly to family unity and to the spiritual development of its individual members. Many families, like the Regans, find that the supper table affords an appropriate setting for the recitation of the Family Rosary. Babyhood is not too early an age for children, like little Kevin, to experience the joy of harmonious family relationships. Good habits that are acquired in infancy will last a lifetime. Wise parents will use every family function as a means to teach generosity, fortitude and self-control. Parents who show such concern will see their children grow in grace before God and men.

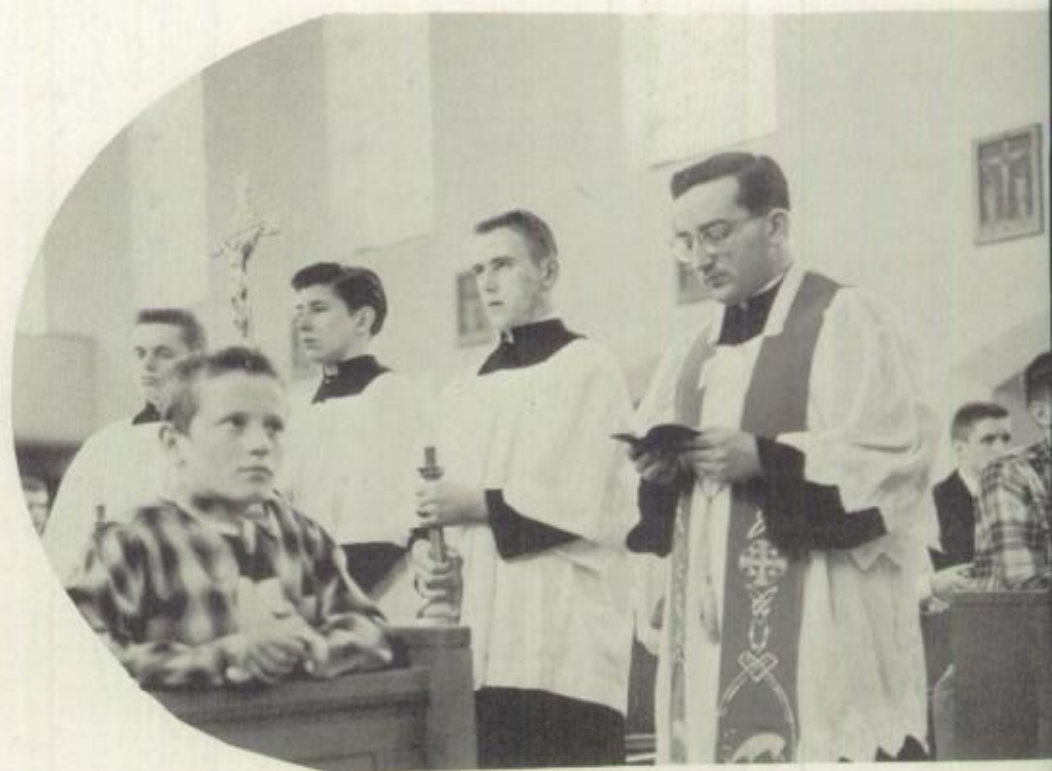

O Mary, loving Mother of Jesus—and our Mother—pray to Jesus for our family, for all the families of the world, to guard the cradle of the newborn, the schools of the young and their vocations.

SANCTUARY

SOCIETY

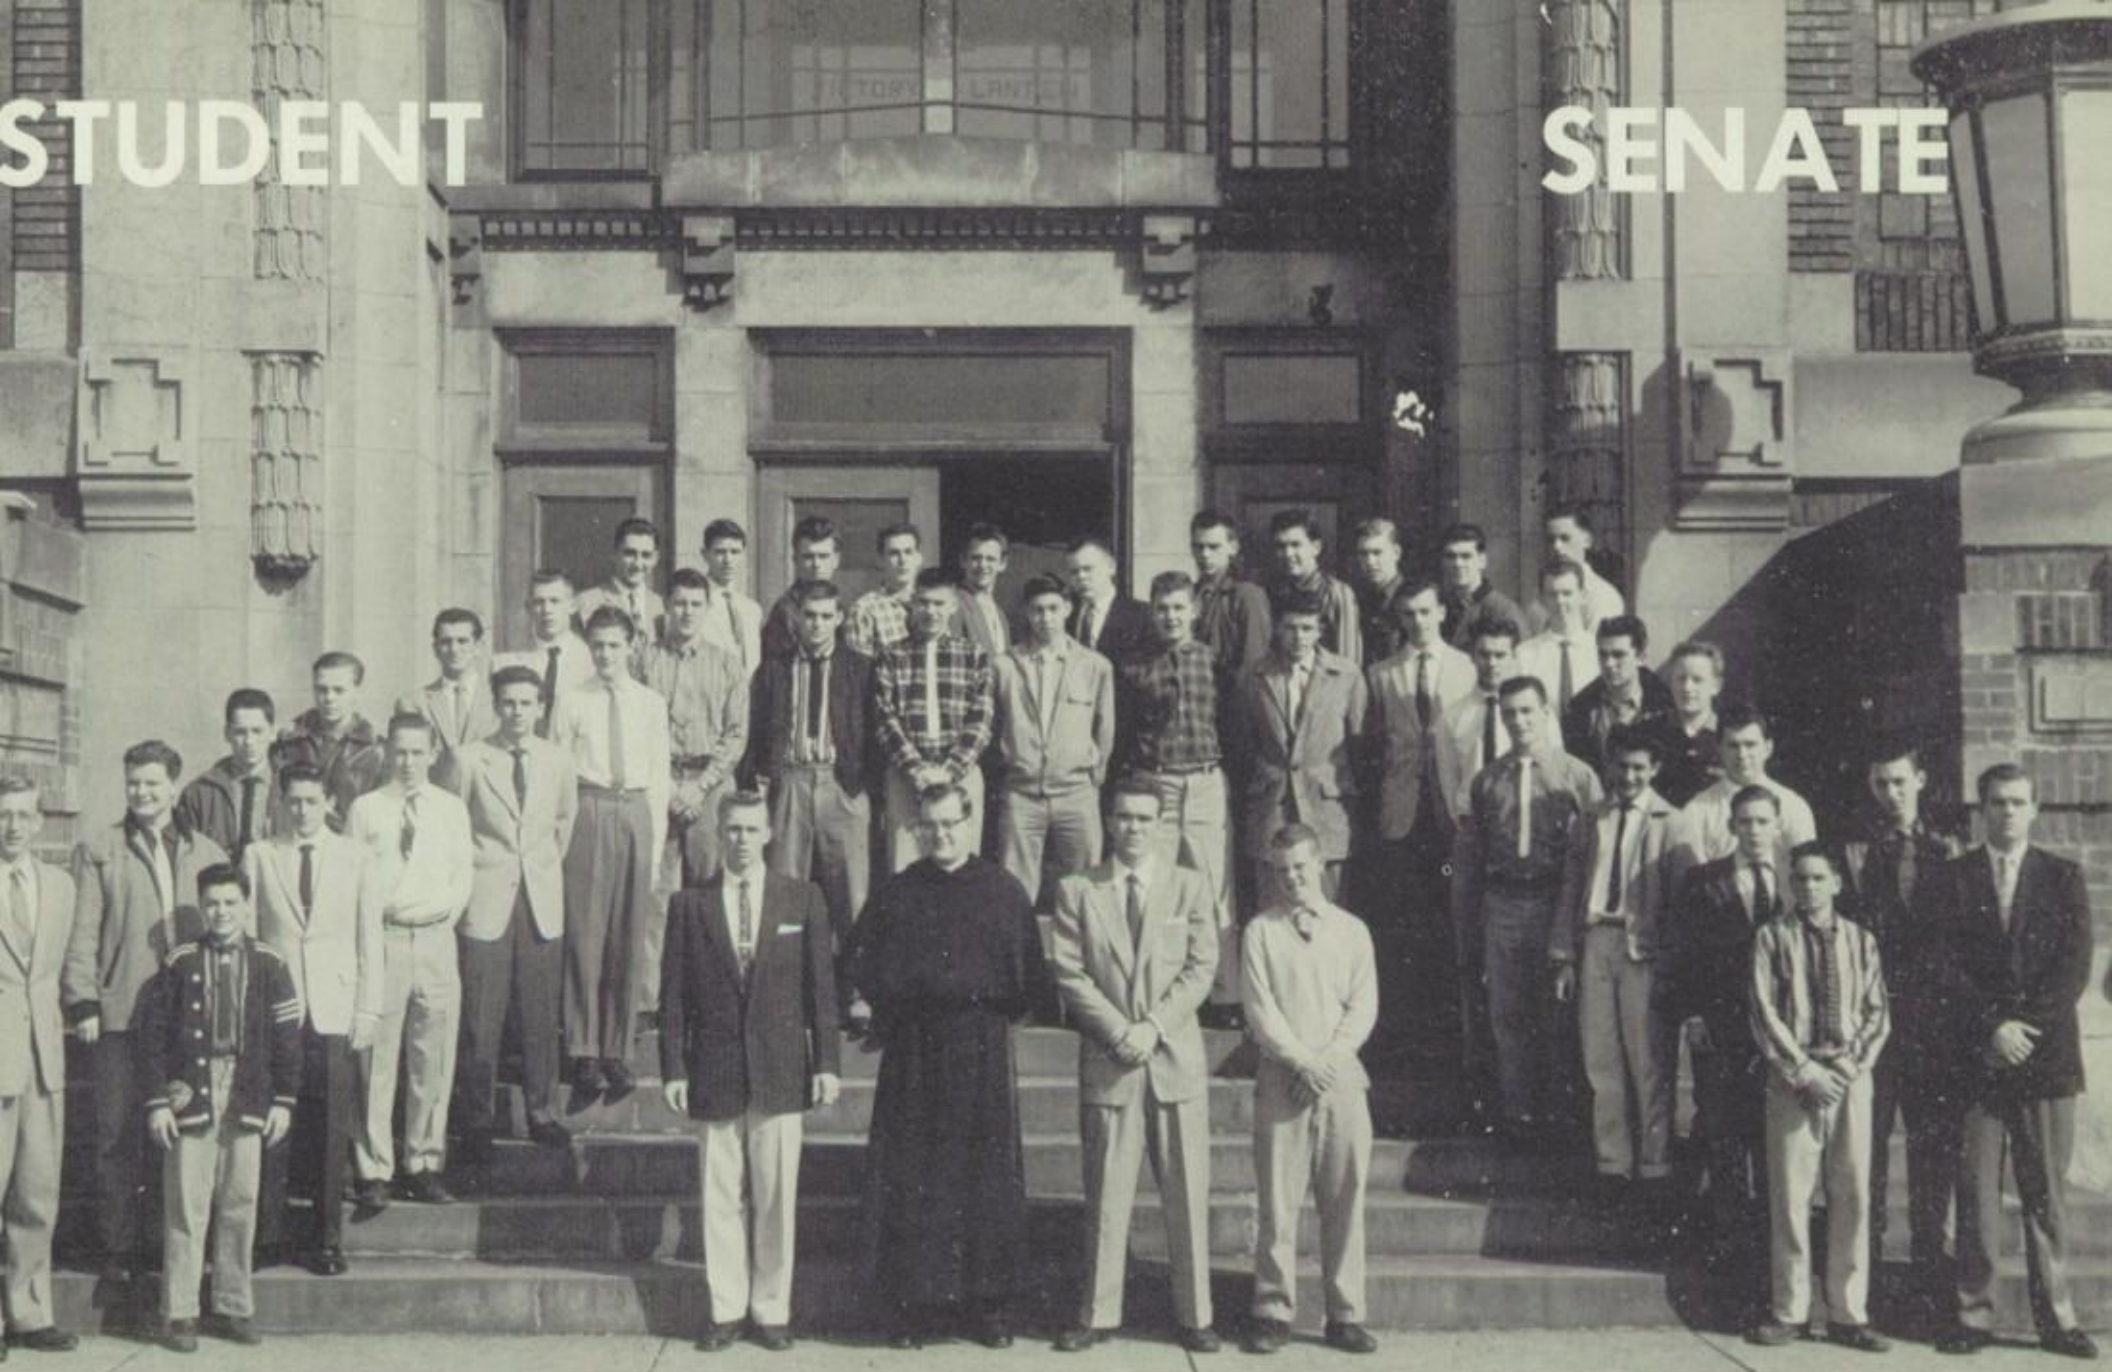

Father Hillebrand, O.S.A., Moderator of the Sanctuary Society, directs the boys who volunteer to serve Holy Mass and assist at chapel exercises. These Mendelmen deserve first mention in the activity section by reason of the nature of their service to our priests at the altar. In fulfilling their duties, they are called upon to make many sacrifices; meanwhile, their reward is counted in blessings. We salute them all, like the freshmen (left, below) Russ, Vince and Chet; and the seniors (right, below), Dave, Jerry and Ed, shown assisting Father Hillebrand.

BOWLING

1957 saw the inauguration of the Catholic High School Bowling League in Chicago. After sweeping to victory in the South Division, both Senior and Junior Monarch pinmen went on to win the League City Championships. **Right, The Champs, Front:** Joe Makenas, Mike Passantino, Jack Brown, Paul Michulsky, Larry Jucius, Pat Del Cotto. **Rear:** Larry Blais, Gus Piolatto, Howard Youngman, Ronald Lorenzi.

HAIL CHAMPS!

The Annual Bowling League Banquet served as an opportunity to salute the victorious Monarch bowling teams. Father Seary always interested in continued successes of Mendelmen, honored the teams with his presence and congratulated Mr. Lux. After a satisfying meal, the new team trophies were presented to Father Gavin and individual awards made to high scorers.

BANQUET

BAND

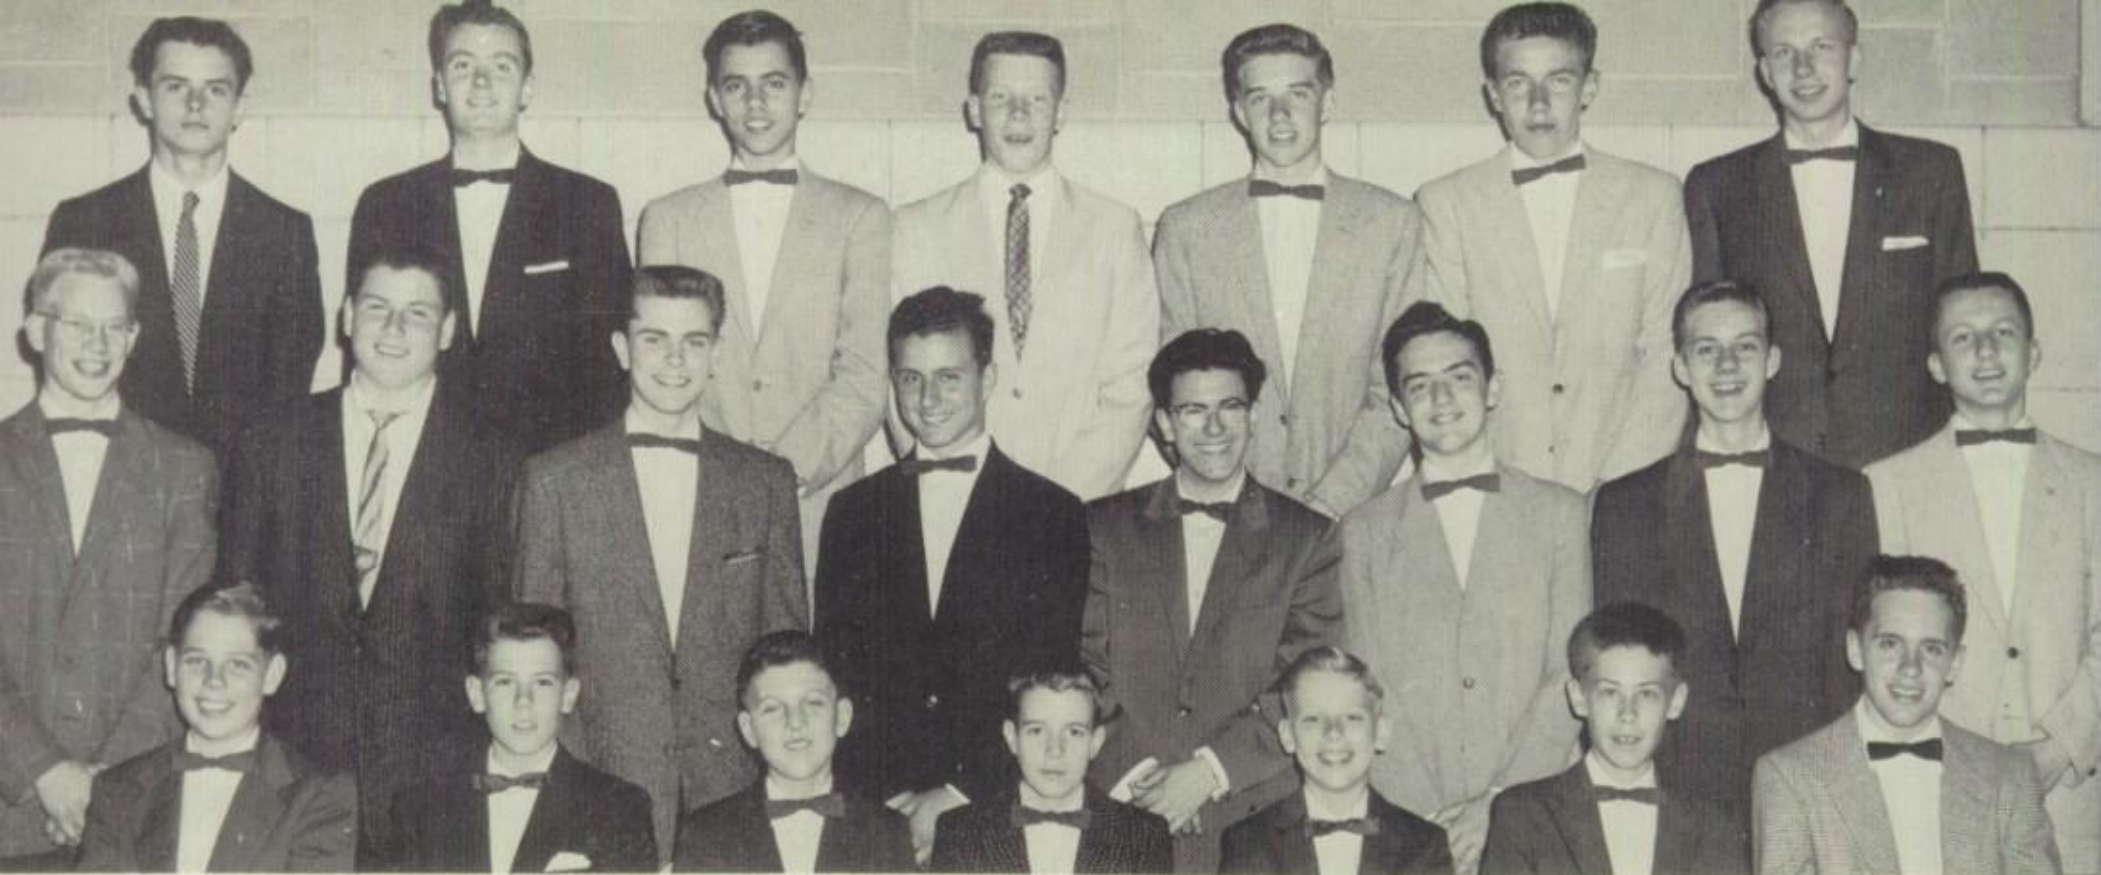

The hard work of Mr. Ricci and Mr. Pacetti (pictured at top) has borne fruit. The definite results of their labor could be seen and heard as the weeks went by. The Monarch Marching Band has developed into a fine musical aggregation and has demonstrated its precision formations on many occasions. The Concert Band made appearances before several school groups before its highly successful Spring Festival. Congratulations to Father Theis and his Music Department Staff!

Parents and friends of Mendel formed a Booster Club. Its purpose is to aid Father Theis and the Music Department in the varied activities and programs of the Band and Choral Group.

Right: Fr. Theis announces Spring Festival numbers.

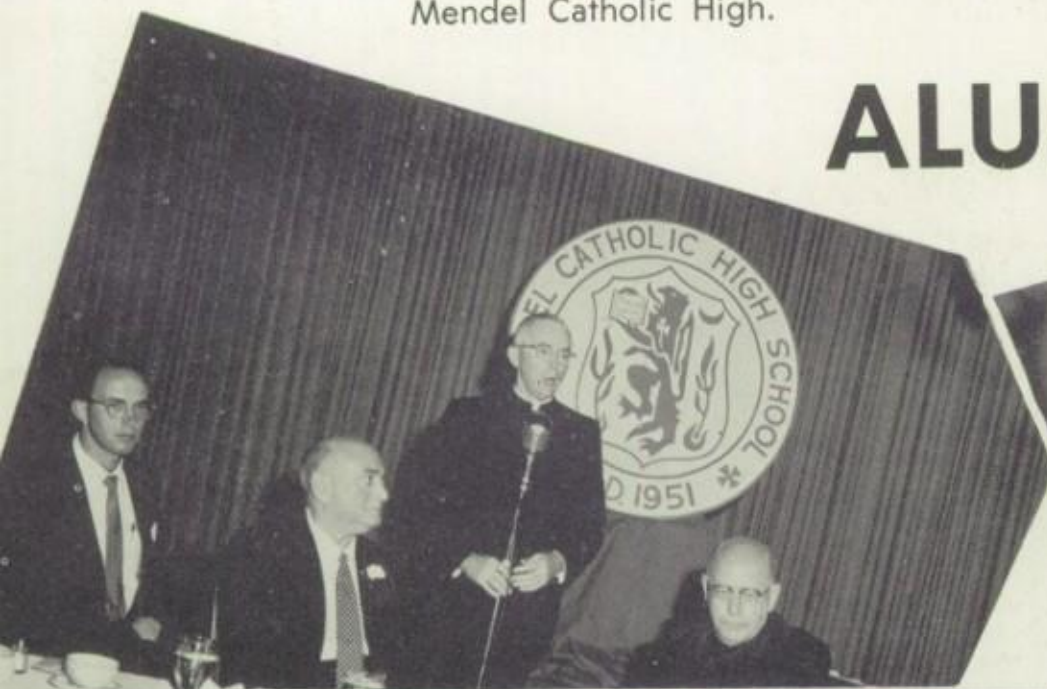

The Class of 1957 brings the number of Mendel graduates close to the 900 mark. The Alumni Association, founded by Fr. Seary and now guided by Fr. McNabb, holds regular meetings and elects its own officers each year.

The Alumni sponsors various religious, social and recreational activities for all members. A monthly publication, edited by the incomparable Bob Kujala, keeps all grads abreast of happenings at school and among themselves. Many alumni are away at college or in military service.

The Alumni Mass and Communion Breakfast, the Summer Dance, and the Annual Banquet are now established as vital and essential parts of our tradition at Mendel Catholic High.

SPORTS

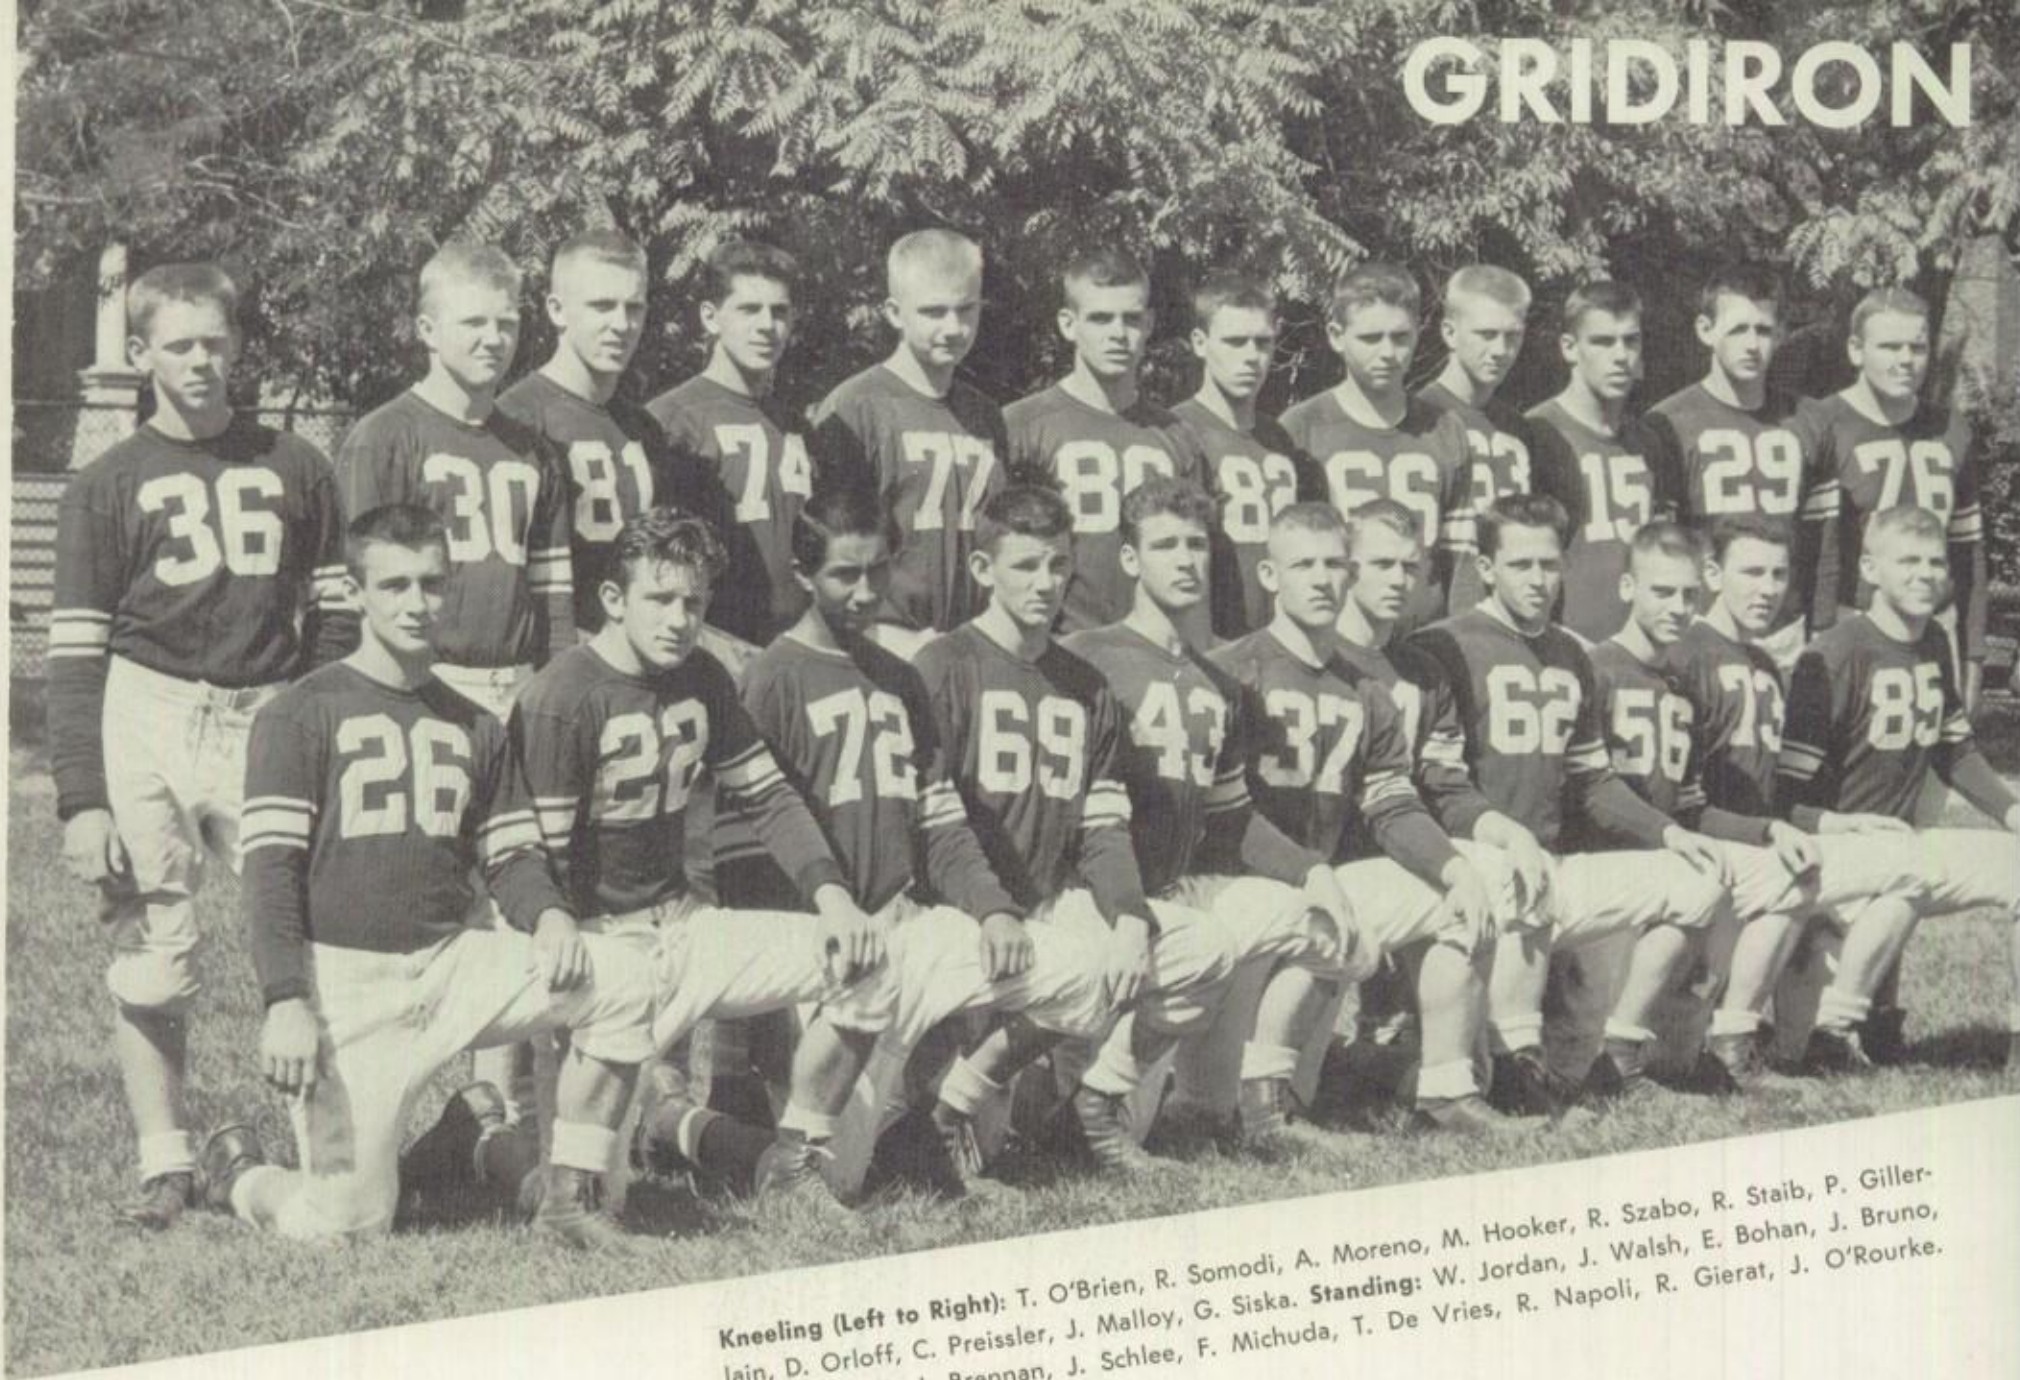

Father Nash (shaking hands with Mr. Magee) was Mendel's first athletic director, 1951-56. In spite of limited funds Father was able to equip and field teams in all sports. He secured the services of qualified Phys. Ed. instructors and coaches of proven ability. Mendel's intramural program as well as its varsity teams catapulted us into prominence almost overnight. The Catholic League recognized Father Nash's talents and voted him its president in 1955. Father Gavin (Fr. Nash's successor) along with Coaches Novak, Magee and Reilly, reflect the youthful ardor and eager anticipation so characteristic of Father Nash. We hope that in them and their program he will soon see his fondest hopes materialize—THE MONARCHS, KINGS OF SPORTS!

Our first coach, our first umpire, our first authority on all sports—Dad!! And Mother usually is our most enthusiastic rooter! This is an unbeatable combination for making children appreciate family sport and recreation. The patient father and sympathetic, understanding mother. Family recreation, under wise guidance, teaches youngsters how to give and take gracefully; through its judicious use, parents can show children how fundamental virtues like charity and justice carry over from sport to every day living. Bill Ormsby's parents have tried to maintain this proper balance by being parents who are never too tired to give a little encouraging advice; never too busy to lend an appreciative eye or ear to some goings-on.

Fr. Gavin did an extraordinary job with the baseball teams this season. Continuing the hot pace set by Monarch teams under Fr. Burns, this year's varsity had a record of 12 wins, 4 losses.

They beat every Catholic League team at least once; split with Mt. Carmel; won 2 of 3 with DLS; bested St. Rita, St. George and St. Philip. 16 other games were postponed because of rain.

Wally Galla, the season's workhorse, rates most valuable award.

We put "Ol' Chuck" in the diamond frame because his name is synonymous with baseball. For four years he held a starting position at second; his potent bat whacked out many a hit. Good luck, "Chuck"! MEMORIES

Some of Youth's most cherished memories center around recollections of high school days. When the shadows of life lengthen along the corridor of time, images and details from the past may fade. Then shall Mendelmen distinguish substance from shadow; let them remember "things worth remembering"—truths taught by devoted priests and teachers—truths whose source is Christ and Holy Mother Church. And remembering, they shall be glad!

Mr. Galla is about to record another memorable event for the family album. Wally's graduation day takes its place alongside birthdays . . . baptisms . . . first communions . . . first schooldays . . . hobbies . . . confirmation . . . Little League . . . high school. All these were cause for family rejoicing, and now, the family shares the elation of graduation in common. Dad, Sis, Bud, Mother, Grandparents and Uncle Joe, all have a share in this latest memory—the occasion for a happy Christian family to rejoice together in a work well done.

IN MEMORIAM

Thomas De Vries

DIED MAY 2, 1957

We place this memorial to Tom here in order that his classmates may recall his friendly, good and unassuming demeanor. Tom's was a very sudden passing, and we were all saddened. For the second time the finger of death came into our midst to beckon one of us to final judgment. This sudden visitation reminds all of us "to watch and pray." May Tom's death be a reminder to us to live better lives each day. Let us make our own the ambition which was expressed by Tom in his biography as a freshman: "I hope to become a major league ball-player and after death to see God face to face." May his soul rest in peace.

The staff wishes to express its deepest gratitude to Milton, our school photographer, for his many generous services in our behalf. Without him, this book would never have been a success. The staff recognizes only too well its lack of professional ability, but what is lacking there is made up for by our desire to give fellow students a bit of history to carry with them. This desire Milton heightened by his enthusiasm.
